Churchyard

A big thank you to all those that gave up their time to worship God in a different way and helped in tidying up the ground, especially this week in all the heat. It has certainly made a difference. There are always jobs to do if you can spare anytime. Just ask!

Boiler

Please do not touch the boiler, without asking. Someone has been tampering with it and left it switched on, when it had already been prepared for summer. This has cost money we can ill afford. Thanks

Insurance Claims

I am sure you are please to know the organ is now back in use. I thank you for your patience while we have done all the repairs from the lightning Strike. I am sure you will joining me in thanking Emma for playing the piano and the choir for keeping the music going in our services. We can now draw a line under this claim We now start on the next claim, storm Eunice, which caused the damage to the weathervane. When Bakers were costing the repairs found that that we need to replace all the cedar shingles on the spire because they are weathered, wear and tear so are not covered by insurance. As this is a costly repair (estimate of £45,000) We must start trying to raise funds in a hurry, any suggestions welcome.

Publicity for our Fete

Of the 2,500 flyers advertising our Fete, over half have already been delivered. If only we had a few more volunteers, we could cover the whole of South Green - that's very important. Please come forward - you may choose your streets, as few or as many as you wish, it can be done any time in the next week, and it really is very enjoyable. Please let us know. And please take a poster or some flyers (from the church porch) to pass on to your family, friends, neighbours.
