#### Important Warning: Phishing Emails from Hacked Accounts

Several members of our church community have reported receiving suspicious emails that appear to come from trusted individuals in the church. These emails are not legitimate—they are part of a phishing scam designed to trick you into losing money or clicking harmful links or sharing personal information.

#### What's happening:

Hackers are gaining access to personal email accounts

Tel: 01277 632060 / 07399446721 E-Mail: [revd.michael@btinternet.com](mailto:revd.michael@btinternet.com)  
Note for pew sheet: [Pewsheet@greatburstead-church.co.uk](https://www.greatburstead-church.co.uk)

and using them to send fraudulent messages that may:

- Ask for urgent favours (such as buying something on amazon (mazon) or purchasing gift cards etc)
- Request donations in unusual way
- Contain suspicious links or attachments

While the email might look like it's coming from someone you know, please be extra cautious.

#### How to protect yourself:

- Do not click on any links or open attachments from suspicious emails.
- Verify with the sender directly (by phone or in person) if something feels "off."
- Never share passwords, banking details, or personal information over email.
- Report suspicious emails to your email provider or report@phishing.gov.uk or delete them immediately.

We are also reminding everyone to use strong, unique passwords and enable two-factor authentication when possible. If you believe your email account has been compromised or need help securing it, please reach out to your service provider for support.
